The Guernsey underwriting team is complemented by dedicated administrative staff in the Group's London Headquarters.

Thomas Miller Specialty

Thomas Miller Specialty offers leading global insurance and related risk management services across a number of sectors, including Marine, Offshore, Cyber & E-crime, Kidnap & Ransom and General Aviation.

Security

Thomas Miller Specialty is authorised to underwrite on behalf of the Lloyd's of London market security which enjoys ratings of Standard and Poors A+, Fitch AA-, A.M Best A (Excellent) and A rated International Insurance companies.

What is covered

Our team are available to discuss all aspects of General Aviation insurance for aircraft owners and operators. We provide combined aircraft hull and liability policies on behalf of Lloyd's of London Syndicates and International Insurance Companies and are able to specifically tailor policies to suit the needs of our clients on an individual basis. Additional coverages include Premises, Hangarkeepers and Products, Personal Accident for both crew and passengers and Hull War. All products are bespoke to meet the specific needs of the Insured.

Global reach local service

All of our products benefit from Thomas Miller's international office and support network enabling Thomas Miller Specialty to support brokers and clients with loss prevention, information and claims support all around the world.

Claims

At the core of our philosophy is an accessible team, who understand the need to forge close ties with Clients and Brokers. This is particularly valuable when there is a high level of complexity, requiring individual policies to be tailored to meet the Clients specific requirements. Underscoring this fundamental approach is a commitment to a first class service with extended underwriting and claims availability.
