Welcome to Thomas Miller Specialty

Thomas Miller Specialty offers leading global insurance and related risk management services across a number of sectors, including marine, offshore, general aviation and cyber.

All specialty risks now managed for you by Thomas Miller on behalf of Lloyd's of London and select company markets.

Thomas Miller Specialty provides a broad range of insurance cover and risk management solutions that complement the Thomas Miller portfolio. The product range includes established brands and newly created lines designed to meet emerging risks.

Global reach Local service

All of the products provided by Thomas Miller Specialty benefit from Thomas Miller's international office and support network, enabling Thomas Miller Specialty to support brokers and clients with loss prevention, information and claims support, all around the world.

Find out more

Thomas Miller Specialty – a flexible platform

Thomas Miller Specialty is a commercial Managing General Agency (MGA), created when Thomas Miller acquired the Osprey Underwriting Agency in 2015. Since that time the MGA has grown and also now includes Offshore Marine and Energy and General Aviation, in addition to all of the complementary specialist lines. The Agency draws on the strengths of the Thomas Miller Group and provides the clients of Thomas Miller Specialty a flexible and proven insurance platform from which to access specialty lines insurance products.

Tailored cover

Each product can be underwritten on policy forms specifically written to meet the needs of the insured.

About Thomas Miller

Thomas Miller is an independent and international provider of insurance, professional and investment services.

Thomas Miller has a particularly strong presence in the international transport and professional indemnity sectors, where they manage a large percentage of today's foremost insurance mutuals. Thomas Miller also manages insurance services for barristers, solicitors, patent agents, housing associations and pension schemes.
