Terrorism Exclusion Clause

This contract excludes any loss, damage, liability or expense arising from:

- a. Terrorism, and or
- b. steps taken to prevent, suppress, control or reduce the consequences of any actual, attempted, anticipated, threatened, suspected or perceived terrorism.

For the purpose of this clause, "terrorism" means any act(s) of any person(s) or organisation(s) involving:

- i. the causing, occasioning or threatening of harm of whatever nature and by whatever means
- ii. whatever means putting the public or any section of the public in fear,

in circumstances in which it is reasonable to conclude that the purpose(s) of the person(s) or organisation(s) concerned are wholly or partly of a political, religious, ideological or similar nature.

If any Insurer asserts that any loss, damage, liability or expense is not covered by reason of this clause it shall be for the Reassured to prove the contrary.

However if specially agreed this exclusion will not apply to any loss, damage, liability or expense arising from the operation, ownership, management or chartering of

1. Vessels, crafts and units whilst afloat, under construction or repair or in dock, or in store ashore
2. Seawalls, wharves, piers, jetties, docks, berths, pontoons, associated dockside equipment all whilst within the confines of the port, terminal, shipyard, harbour or marina
3. Platform facilities and associated equipment, whilst offshore, or whilst in, on or under any navigable waters, including all related construction or repair operations.
4. Cargo in the ordinary course of transit in accordance with the Cargo Termination of Transit Clause (Terrorism)

Institute Cyber Attack Exclusion Clause (CL 380, 10/11/03)

- 1.1. Subject only to Clause 1.2. below, in no case shall this insurance cover loss, damage, liability or expense directly or indirectly caused by or contributed to by or arising from the use or operation, as a means for inflicting harm, of any computer, computer system, computer software programme, malicious code, computer virus or process or any other electronic system.
- 1.2. Where this clause is endorsed on policies covering risks of war, civil war, revolution, rebellion, insurrection, or civil strife arising therefrom, or any hostile act by or against a belligerent power, or terrorism or any person acting from a political motive, Clause 1.1. shall not operate to exclude losses (which would otherwise be covered) arising from the use of any computer, computer system or computer software programme or any other electronic system in the launch and/or guidance system and/or firing mechanism of any weapon or missile.

Institute Radioactive Contamination, Chemical, Biological, Bio-Chemical and Electromagnetic Weapons Exclusion Clause (CL 370, 10/11/03)

This clause shall be paramount and shall override anything contained in this insurance inconsistent therewith

1. In no case shall this insurance cover loss damage liability or expense directly or indirectly caused by or contributed to by or arising from
 - 1.1. ionising radiations from or contamination by radioactivity from any nuclear fuel or from any nuclear waste or from the combustion of nuclear fuel
 - 1.2. the radioactive, toxic, explosive or other hazardous or contaminating properties of any nuclear installation, reactor or other nuclear assembly or nuclear component thereof
 - 1.3. any weapon or device employing atomic or nuclear fission and/or fusion or other like reaction or radioactive force or matter
 - 1.4. the radioactive, toxic, explosive or other hazardous or contaminating properties of any radioactive matter. The exclusion in this sub-clause does not extend to radioactive isotopes, other than nuclear fuel, when such isotopes are being prepared, carried, stored, or used for commercial, agricultural, medical, scientific or other similar peaceful purposes
 - 1.5. any chemical, biological, bio-chemical, or electromagnetic weapon.

Infectious Disease Clause

Insofar as liability is incurred by an original Assured in respect of legal and/or general and/or employers' liability for physical impairment attributable to an infectious disease, this insurance shall provide cover on the basis that the entirety of claims in respect of crew, passengers and/or other persons on board of any one vessel on any one voyage affected by this disease shall be considered as one event for the purpose of recovery hereunder.

Nuclear Energy Risks Exclusion Clause

This contract shall exclude Nuclear Energy Risks whether such risks are written directly and /or via Pools and/or Associations.

For all purposes of this Contract Nuclear Energy Risks shall be defined as all first party and/or third party insurance (other than Workers' Compensation and/or Employers' Liability) in respect of:

- i. Nuclear reactors and nuclear power stations or plants:
- ii. Any other premises or facilities whatsoever related to or concerned with:
 - a) the production of nuclear energy or
 - b) the production or storage or handling of nuclear fuel or
 - c) nuclear waste.

- iii. Any other premises or facilities eligible for insurance by any local Nuclear Pool and/or Association but only to the extent of the requirements of the local Pool and/or Association, it being the intention always that insurers shall follow the fortunes of the Company insofar as the Company complies with the requirements of any such local Pool and/or Association.

However, this exclusion shall not apply:

- i. to any insurance in respect of the construction, erection or installation of buildings, plant and other property (including contractor's plant and equipment used in connection therewith):
 - a) for the storage of nuclear fuel – prior to the commencement of storage;
 - b) as regards nuclear installations – prior to the commencement of loading of nuclear fuel into the reactor, or prior to the initial criticality, depending on the commencement of the insurance of the relevant local Nuclear Pool and/or Association.
- ii. to any Machinery Breakdown or other Engineering insurance not coming within the scope of (a) above, not affording coverage in the “high radioactivity” zone.

OPA Oil Pollution Act Disclaimer Clause

This insurance does not constitute evidence of financial responsibility under the Oil Pollution Act of 1990 or any similar federal or state law and it is a condition of this insurance that it shall not be submitted to the United States Coast Guard or any other federal or state agency as evidence of financial responsibility. The Insurers do not consent to be guarantors.

Several Liability Clause (LMA 5096, 07/03/08)

The liability of an Insurer under this contract is several and not joint with other Insurers party to this contract. An Insurer is liable only for the proportion of liability it has underwritten. An Insurer is not jointly liable for the proportion of liability underwritten by any other Insurer. Nor is an Insurer otherwise responsible for any liability of any other Insurer that may underwrite this contract.

The proportion of liability under this contract underwritten by an Insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown in this contract.

In the case of a Lloyd's syndicate, each member of the syndicate (rather than the syndicate itself) is an Insurer. Each member has underwritten a proportion of the total shown for the syndicate (that total itself being the total of the proportions underwritten by all the members of the syndicate taken together). The liability of each member of the syndicate is several and not joint with other members. A member is liable only for that member's proportion. A member is not jointly liable for any other member's proportion. Nor is any member otherwise responsible for any liability of any other Insurer that may underwrite this contract. The business address of each member is Lloyd's, One Lime Street, London EC3M 7HA. The identity of each member of a Lloyd's syndicate and their respective proportion may be obtained by writing to market Services, Lloyd's, at the above address.

Although reference is made at various points in this clause to “this contract” in the singular, where the circumstances so require this should be read as a reference to contracts in the plural.

Sanctions Limitation and Exclusion Clause

No Insurer shall be deemed to provide cover and no Insurer shall be liable to pay any claim or provide any benefit hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose that Insurer to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, Germany, United Kingdom or United States of America.
